

SUMMARY OF PREVIOUS SEMINAR

CICASP Seminar in Science Communication #139

Your Research in 3 Minutes (Part II)

Wednesday, October 7, 2020

In the previous seminar, PRI and WRC students practiced the **3-minute presentation for the general audience** to get everyone's feedback on for the [HIRAKU 3MT Competition](#). We discussed the presentations and listed the key points/strategies that could help in preparing the videos, such as the slide design and the appropriate tone of delivery.

OUTLINE OF UPCOMING SEMINAR

CICASP Seminar in Science Communication #140

Impacts of COVID-19

5PM–, Wednesday, October 21, 2020 (no seminar on October 14)

To be held on Zoom (see email announcements for access details)

The upcoming CICASP seminar will be dedicated to discussing the **impacts of Covid-19**. In this seminar, WRC and PRI students can give an informal 3-minute presentation based on news items or other facts/stories they would like to share and discuss regarding covid-19. If you would like to present, please create one slide that depicts the news coverage or represents the story being told.

We would like to welcome everyone to join this workshop and present their ideas. Please let us know what you would like to talk about in the sign-up sheet (see link in the email announcement). Join us in this seminar to discuss and learn different kinds of interesting news and stories!

次回のCICASPセミナーでは、Covid-19の影響に焦点を当ててディスカッションを行います。このセミナーではWRCとPRIの学生が、Covid-19に関してシェアまたは議論したい記事や、ほかの事実/ストーリーに基づいた簡単な3分間のプレゼンテーションを行います。プレゼンをしたい方は、ニュース報道を図式化もしくは話したいストーリーを表現した1枚のスライドを作成してください。

皆さんの参加とアイデアの提案を大歓迎しています。登録ページ（リンクはEメールを参照）で、あなたが話したいことをどうぞお知らせください。様々な興味深いニュースやストーリーに触れ、議論するために、このセミナーへの皆さんのご参加をお待ちしております！
