

SUMMARY OF PREVIOUS SEMINAR

CICASP Seminar in Science Communication #164

Practice session for Hiraku 3MT competition

5:00 PM- 6:00 PM, Wednesday, August 18, 2021

HIRAKU 3 Minute-Thesis Competition is a national event that promotes doctoral research in Japan and communication of it by student researchers themselves to the general public.

In the last CICASP seminar, the students who submitted their entry form practiced their presentations and heard feedback and suggestions from others to polish their talks or videos.

OUTLINE OF UPCOMING SEMINAR

CICASP Seminar in Science Communication #165

🌀 Lecture 3 of *International Primatology Lectures on Past, Present and Future Perspectives of the Field* 🌀

I am NOT a primatologist and other incoherent ramblings

By Dr. Ramesh Boonratana

5:00 PM-, Wednesday, August 25, 2021

To be held on Zoom (see email announcements for access details)

This year, CICASP is organizing a series of guest lectures by leading primatologists from across the world, who will share their rich perspectives on the development of primatology in connection to their life's works. Each lecture will be followed by a Q&A with the audience (= you!). We hope these events will spawn lively discussions and deep reflections on where the discipline should be headed next, just in time for the 75th Anniversary of Japanese primatology in 2023.

Dr. Ramesh Boonratana will be the guest speaker of the next lecture in the series. He will talk about his journey into primatology and away from it to let us reflect and think creatively about our own chosen paths, he will tell us about the valuable lessons he learned that we can avoid and will provide a sounding board for budding primatologists.

Everyone affiliated with PRI/PWS/WRC is welcome to join, so bring your friends and colleagues!

今年の CICASP では、世界の第一線で活躍する霊長類学者によるゲスト講演会を開催し、霊長類学の発展に関する豊かな視点をライフワークと関連づけてお話しいただきます。各講演の後には、聴衆（=皆さん）との質疑応答が行われます。日本の霊長類学が75周年を迎える2023年に向けて、これらのイベントで活発な議論を生み、この学問が次にどこへ向かうべきかを深く考えるきっかけとなることを期待しています。

次回の講演会では、Ramesh Boonratana 博士がゲストスピーカーとして登場します。Ramesh Boonratana 博士は、彼の霊長類学への旅とそこからの脱却について話し、私たちが自分で選んだ道について考え、創造的に考える手助けをしてくれます。また彼は、彼の経験をもとに私たちが避けることのできる貴重な教訓について話し、若手霊長類学者の相談相手にもなってくれるでしょう。

PRI/PWSWRC に所属している方ならどなたでも参加できますので、ぜひお友達や同僚をお誘い合わせの上ご参加ください！
