

Research Activity Report
Supported by “Leading Graduate Program in Primatology and Wildlife Science”
(Please be sure to submit this report after the trip that supported by PWS.)

2017. 6, 19

Affiliation/Position	Primate Research Institute/M2
Name	Gao Jie

1. Country/location of visit
Japan/Kyoto
2. Research project
Young Researchers' Meeting of Kyoto University Psychology Unit
3. Date (departing from/returning to Japan)
2017. 6. 18 (1 day)
4. Main host researcher and affiliation
Psychology Unit of Kyoto University
5. Progress and results of your research/activity (You can attach extra pages if needed)
Please insert one or more pictures (to be publicly released). Below each picture, please provide a brief description.
<p>I presented my poster at this meeting. The poster summarized the latest results from my experiment on the body perception in chimpanzees. The participants of this meeting were psychology researchers, so I received some professional advice on my study. I also enjoyed many other posters. This was a valuable opportunity to communicate with psychology researchers in Kyoto University.</p>

6. Others
I would like to thank PWS for the support for this trip.
