

SUMMARY OF PREVIOUS SEMINAR

CICASP Seminar in Science Communication #166

🌀 Lecture 4 of *International Primatology Lectures on Past, Present and Future Perspectives of the Field* 🌀

How the Social Brain Evolved

By Prof. Robin Dunbar

5:00 PM- 6:00 PM, Wednesday, September 8, 2021

In the last CICASP seminar, Prof. Robin Dunbar was the guest speaker. He contributed important ideas in evolutionary psychology, such as the Social Brain Hypothesis and Dunbar's number. In his lecture, he explained about the origin and stories behind these ideas.

OUTLINE OF UPCOMING SEMINAR

CICASP Seminar in Science Communication #167

PWS symposium practice presentation

5:00 PM–, Wednesday, September 15, 2021

To be held on Zoom (see email announcements for access details)

We will be happy to hold a special seminar next Wednesday, September 15, *if* any of you want to practice your talk for the PWS Symposium. If you are interested in practicing, please contact us at cicasp@ml.pri.kyoto-u.ac.jp by **5:00 PM on Monday, September 13**. Anyone who wants our feedback on their poster for the symposium can send in their draft by noon on Wednesday, September 22.

Everyone affiliated with PRI/PWS/WRC is welcome to join, so bring your friends and colleagues!
